#### Sælgers beskrivelse

The Oxford Aquatex is THE essential motorcycle/scooter cover. As you would expect from the world's best-selling motorcycle cover it comes packed with useful features and is built to last. Designed for both outdoor and indoor use, it offers protection against rain and dust. Police initiatives have also shown that bike covers can be a useful theft deterrent. This is especially true if you secure the belly strap in place and use the cover in conjunction with a chain lock, threaded through the lock holes provided, securing both motorcycle and cover in place at the same time. The UK's most respected motorcycle consumer title Ride Magazine rated the Aquatex BEST BUY in their market review. They praised the combination of weatherproofing, quality construction, useful additional features and incredible value.
