Sælgers beskrivelse

The Oxford Boss Alarm has been independently tested and approved by: Sold Secure (Gold standard), SBSC, Classe SRA and FG. As well as being an extremely secure lock, it comes with an ear splittingly loud 100dB alarm which is triggered by movement sensors; you can also lock it up without setting the alarm. A key replacement service is available so that if you are unfortunate enough to lose all your keys a new one can be made up. Just remember to take note of your key number and keep this in a safe place. Key Features ? Very loud 100dB alarm ? The removable, sealed unit alarm module is weather-proof against water, frost and heat, as well as vibration-resistant ? Can be used as a disc lock or a padlock ? Anti-jack design can withstand 4.5 tonnes of tensile load ? Batteries Included (6 x LR44) ? Three keys and a key replacement service provided ? Also available with 16mm shackle for more extreme security conditions ? Can be used with a chain to create the perfect chain lock (OF7/8/9) Spares available: ? Batteries x 6 (Oxford part number: OF229B) ? Alarm module (Oxford part number: OF3A)
