Sælgers beskrivelse

Its detachable hood can be tied in the back so that it doesn't flap in the wind when you ride. Neoprene inserts at the collar. AFS ventilation system. Integral removable thermal liner with long sleeve. 4 pockets. Representing our vision of renewed sportiness, the Shard mixes the codes between the radical and urban worlds in its own unique shades of black. Assert your determination thanks to its athletic cut, revealed by a mix of material and texture with clean lines. ? Back protector pocket ? Reflective inserts ?
