Sælgers beskrivelse

Furygan Legacy 2W1 Jacket Black / Reflective Grey. Very versatile high visibility jacket with removable thermal lining and ASF Max ventilation system to adapt to different weather conditions. Made of Softshell and durable polyester fabric with high resistance against abrasion and cuts, it incorporates D30 Ghost protections on shoulders and elbows. It is compatible with the Fury Airbag System. Main features: ? Made of Softshell and highly durable, abrasion-resistant polyester fabric. ? Removable 2W1 integral thermal lining. ? Air Flow System Max ventilation system composed of zipped adjustable air inlets on the arms, shoulders, and back for proper air circulation. ? D30 Ghost protections on shoulders and elbows with CE EN1621: 1 level 1 certification. They stand out for being very comfortable. ? Predisposition to mount D30 back protector (not included). ? Adjustable waist with velcro strap for an optimal fit. ? Adjustable sleeve width. ? Jacket-pants connection loop. ? 2 outer pockets. ? 2 inside pockets. ? Numerous reflective elements to be more visible when driving at night or in low light. ? Compatible with the Fury Airbag System. ? Jacket certified according to standard EN 17092 AA. Comes in sizes: S - 4XL
