Sælgers beskrivelse

Burchard Fremflyttersæt - Fremflytter 39 cm, TÜV godkendt Cx500C PC01 ""Made in Germany"" Forward Controls Kit with TÜV Test Report § 19/339 cm forward for Honda CX 500 C / PC01 The Forward Controls Kit is delivered pre-mounted with all parts required for assembly, for example with an extended brake line (if necessary). The Forward Controls Kit fixed on the original frame points. Our Forward Controls Kit is made of steel and are available in chrome, black glossy powder coated or black matt powder coated. In order to achieve corrosion resistance in powder coating, such as chrome, the Forward Controls Kit are galvanically nickel-plated before powder coating. All Motorrad Burchard Forward Control Kits are supplied with a 2-year warranty on processing and chromium plating. Shift- and Brakelevers are fitted by hand and provided with grease nipples. The connecting parts (ball joints) on the shift and brakerods are free of charge and also equipped with grease nipples. This quality standard provides a minimum of play on/off the waves and a maximum of lifetime. The Forward Controls Kit delivered with a TÜV Test Report §19/3, a mounting instruction and a parts list. All removable parts are available as spare parts. The Forward Controls Kit is available in 4 different designs.", Passer til Honda CX 500 C
