Udstyr & Sælgers beskrivelse

Street, tages hjem på bestilling The KTM 790 DUKE has a reputation. Not only is it known to be devastatingly accurate, with the unmatched agility you'd expect from a single, merged with the meaty punch of a twin, but for being a no-nonsense street-brawler. Boasting an uncompromised 799 cc LC8c parallel twin motor nestled into one of the lightest and most compact chassis around, the KTM 790 DUKE is all about being fast where it counts - in the corners. Leveres med 2 års 100% fabriksgaranti. Attraktiv finansiering og forsikring. Få et uforpligtende tilbud på salg@jensensmc.dk eller 75602095. Vi tager gerne alt i bytte.
