Udstyr & Sælgers beskrivelse

Adventure, I BESTILLING - GANSKE FÅ KOMMER TIL LANDET SÅ TØV IKKE MED AT KONTAKTE OS! The 2025 KTM 790 ADVENTURE is designed to make 2-wheeled adventure travel easier. Now, with an adjustable WP APEX front suspension, it not only ticks all the boxes regarding what an adventure machine should be. Instead, it breaks out of the box altogether. Built around a torquey parallel twin-cylinder powerplant, and boasting a class-leading electronics package, it's the perfect choice for riders looking to chase the horizon.
