Udstyr & Sælgers beskrivelse

Motorcykel, 750 ccm, Yderst sjældnen 750 sideventilet fabriksracer. Lavet fra fabrikken med højkomprimeret motor med specielle knaster. 1933 er Harleys mindste produktions år og der er lavet under 300 stk. af denne her det år. Det er en danske cykel. Extremely rare Harley Davidson Model RLE year 1933 Incredibly strong engine that sounds healthy Nice old patina 750Ci side-valved High Compression Special Sport Solo Year 1933 is the year since 1910 Harley produced the fewest bikes, model RLE is a special model with a strong engine. It is the only model Harley doesn't know how many were made. In all books number is mentioned as 0. It is a rare collector's model.
