Sportstouring, 1171 ccm, Farve: Blå, Registreret første gang: 6/1998, Sidste syn: 5/2020, Servicebog udfyldt: Nej, 130 HK, 0-100 km/t på 3.7 sek. 20.0 km/l. Topfart: 245 km/t, Nypris kr. 214.803, Skivelås, Sidetaske, Slip-on udstødning, Fuldkåbe, Varmehåndtag, Justerbar kåbeglas, The BMW is in very good condition considering its age (just a few little scratches on the left side of the tank that you can see on the picture). Remus exhaust. The battery has been replaced last year. Both tires are from last year (less than 2000 kms). The cables to the spark plugs and the spark plugs have been replaced. The hoses for both the brakes and the clutch have been replaced with armed ones. The two original side cases from BMW are present. The bike has been serviced every year by myself, where the engine oil (Motul 7100), the end drive oil and the gearbox oil was changed (I can provide documentation for it if necessary). The brake fluid and the clutch fluid were replaced every second year.
